

REMARKS

The above-identified application was allowed on March 8, 2007. The issue fee has not yet been paid in the above-identified application. This is also a Summary of the Interview of March 2, 2007 between Examiner Joo and Jong H. Lee (reg. no. 36,197) regarding claim 34.

Claims 1 to 34 were allowed in the Notice of Allowance of March 8, 2007.

The Drawings were objected to in the Notice of Allowability of March 8, 2007, assertedly "because they fail to show the details and features as described in the specification." Accordingly, the Drawings are amended to include labels for each of the blocks depicted. No new matter has been added. Approval and entry are respectfully requested.

On March 2, 2007, Examiner Joshua Joo had a phone call with Jong H. Lee (reg. no. 36,197). Claims 18 and 34 were discussed, and Examiner Joo essentially advised that he would enter an Examiner's Amendment to claim 34. In particular, it was agreed that claim 34 would be amended by Examiner's Amendment to conform the language of claim 34 with that of claim 18 from which it depends, specifically, changing "memory arrangement" to "memory medium," as provided herein.

Applicants note that the Examiner's Amendment did not change all instances of "memory arrangement" to "memory medium" in claim 34. According, claim 34 is further amended herein, changing the term "memory arrangement" to "memory medium," as agreed to in the Interview of March 2, 2007.

It is believed that this response satisfies the request for Applicant to file a Statement of the Substance of the Interview (see pages 700-229 and 700-231 of the M.P.E.P.).

Accordingly, claims 1 to 34 are allowed.

Conclusion

It is therefore respectfully submitted that all of claims 1 to 34 are allowed. It is therefore respectfully requested that this Section 312 Amendment be entered since it is being filed before the issue fee has been paid. An early and favorable action is therefore respectfully requested.
